

macproducts grey water
disposal system
01449675277

The unit is fully assembled step one, pull the bolts out of the grey pipes and tighten the 2 nuts up to the filter rotate the two pipes anticlockwise so they line up with your caravan waste outlet pipes push the pipes into the outlets firmly, gently tap or push the bolts into the ground to secure unit.

Maintenance, Remove one nut & bolt pull off end cap remove filter and wash in hot soapy water replace it into its housing replace end cap replace bolt and secure with nut . All parts are fully recyclable .

AS THE FILTER IS A FINE MESH DO NOT PUT ANY FOOD WASTE DOWN THE SINK AS THIS WILL CAUSE THE FILTER TO BLOCK AND RESULT IN YOU HAVING TO CLEAN THE FILTER MUCH MORE OFTEN ALSO PLEASE DO NOT PUT COOKING FAT,OIL ,SINK UNBLOCKER,BLEACH, OR ANY OTHER CAUSTIC CHEMICALS THAT MAY BE HARMFUL TO THE ENVIRONMENT THROUGH YOUR GREY WATER SYSTEM.

THANK YOU FOR YOUR PURCHASE.
